Dearest Mother & Daddy:

I received your letter today at lunch and sure was glad to hear from you once again, especially the good news about your losing your wonderful teeth. I know that you will feel a lot better withouth them, and especially as your stomach gets a rest from raw food. Right?

Can't get over Ed marrying that girl. Has she got any money?

Before you put the new battary in the car, besure and have the mechanic find the short in it. I know that it is one in it, because I put about 25,000 miles on it with the first battary that came in it. So besure and have him find the short, or it will bunn out another battaryin no time at all. Right?

I will check up on the bonds right away. You should have a $25.00 bond for Oct, Nov, Dec. now. Right?

That is all for now, so write soon.

Love,

Harold
